

Office Chair Casters by Darcor have earned a distinguished reputation for quality, based on years of consistently high performance and durability. Their product stature is attributed to Darcor's dedication to meticulous research, design, engineering and testing. Widely used on office chairs, they are equally useful for many institutional applications including IV poles, overbed tables, nightstands and many other uses.

Darcor's innovative designs not only reduce wear and tear on the mechanism of chairs but increase the user's physical efficiency and comfort by reducing the strain of moving the chair during daily chores at workstations. Darcor's designs eliminate the frustrating experience of shoving and ploughing office chairs through carpets and over warped plastic mats.

The Carpet Master™ for carpeted floors, and the Eternity II for tile and linoleum floors - are synonymous with comfort. They have the qualities desired in a superior product, such as reliability, durability and unparalleled ease of movement. Both the Carpet Master™ and Eternity II incorporate the legendary Darcor double ball bearing swivel design, with two ball bearing races of equal diameter. This ingenious design eliminates any possibility of binding, sticking, or sliding.

**THE CARPET MASTER**

OC-53-XD

The Carpet Master rolls and swivels effortlessly, eliminating the need for unsightly and hazardous plastic mats. The silent, donut neoprene wheel with its soft resilient texture, rolls smoothly and quietly on all floor surfaces from carpet to quarry tile. The large swivel off-set and soft wheel reduces the stress on carpet fibers thus greatly extending carpet life. Carpet Master's are available in standard chrome and black matte finish. Also available with bright brass and brushed brass finish.

**FEATURES**

- 5/16" Axle
- 7/16" Rivet
- Double row ball bearing swivel, both raceways equal diameter. Ball bearings standard in wheel.
- Specially designed removable axle eliminates unsightly nut
- All swivel parts are case hardened
- Thread guards standard

**ETERNITY II**

OC-E2-XD

The Eternity II is recommended for all types of hard floors. The neoprene wheel will not mark or stain tile and has a remarkable inter-floor capability. Darcor casters are available with optional fittings, including top plates, stems and sockets. Eternity II has a standard chrome or black matte finish and is also available with a bright brass finish.

**FEATURES**

- 5/16" Axle
- 11/32" Rivet
- Double row ball bearing swivel, both raceways equal diameter. Ball bearings standard in wheel.
- Specially designed removable axle eliminates unsightly nut
- All swivel parts are case hardened

OPTIONAL TOP PLATES AND STEMS ARE AVAILABLE.
